

*Dear Chem Link Friends,*

*All of us at Chem Link send you and yours our best wishes for a joyful Christmas Season filled with good cheer. We want you to know that we truly appreciate the opportunity to do business with you.*

*Chem Link has experienced significant growth again this year for which we are indeed grateful. We have again been able to bring you improvements in various areas and more new products. We're looking forward to the third Christmas in our new facility in Schoolcraft, Michigan. We are gratified and grateful that green building technology continues to expand and that we can be a small part of high performance building practices that are changing our world for the better.*

***Wishing you a Joyous Christmas Season and  
a Healthy and Prosperous New Year!***
